

Senior Management

Tony founded Parkview in 1997 and remains intrinsically involved in daily operations. A fellow of the Australian Institute of Building and registered builder, Tony has over 30 years of experience in the industry.

TONY TOUMA
Executive Chairman

Emile joined his lifelong friend, Tony, in 1998 at the helm of Parkview as Director. A registered building practitioner with a NSW building licence, Emile also has more than 30 years industry experience.

EMILE TABET
Director

GLENN MORAN
Head of Construction

Glenn joined Parkview in 2016 and is a licensed builder and nominated supervisor and registered building practitioner. An industry stalwart, Glenn oversees all operational obligations and excels in strategic planning.

DALLAS WHITEHEAD
Finance Director
& Company Secretary

Bringing over 25 years corporate banking and operational experience to the team, Dallas joined Parkview in 2016. With a degree in Economics, he is responsible for the company's overall financial health and growth.

VLAD BALTOFSKI
Head of Commercial
Management

With over two decades of industry experience, Vlad has degrees in Economics and Construction Management. Since 2014, he has capably balanced client needs with the commercial and financial requirements of each of our projects.

JOE MICHAEL
Head of Client Services

Joe has been with us since 2001 and is highly skilled in people and process management. Holding several positions in his time, Joe has excelled previously as Operations Manager and in Quality Assurance & Compliance.

HOMER DAPAS
Head of New Business

A proven property and construction industry specialist with 25+ years experience across all sectors, Homer joined Parkview in 2016 and has a Bachelor of Building and is accredited with the Green Building Council.

KELLY MACDONALD
Head of Human Resources

Kelly has almost 20 years experience in employee management and training within the construction sector. Joining Parkview in 2018, she has a degree in Social Sciences (Psychology) and qualifications in Human Resources.

JASON KERLEY
Head of Estimating
& Bid Management

Joining Parkview in 2017, Jason has garnered almost 20 years in the industry. With a degree (honours) in Quantity Surveying, he expertly oversees the bid management, tendering, estimating and cost monitoring for our projects.

ANDREW PERRY
WHS&E Manager

Andrew joined Parkview in 2008, and has used his wealth of experience in OHS&E compliance across construction sites through education, training and enforcement actions, to implement and maintain ISO standards at Parkview.

JAMES SHEPHERD
Lead Manager
Engineering & Design

Prior to joining Parkview in 2014, James worked in the UK for over 15 years across several sectors. With a degree (honours) in Civil Engineering, he ensures design integrity and continuity to achieve best practice outcomes.

RICHARD ALAGNA
Chief Finance Officer

Armed with a Commerce degree, more than 40 years in finance, and over 10 years with Parkview, Richard is a fountain of knowledge and is responsible for managing the accounting and financial control of the company.

JAYSON BARNABY
Construction Manager

A licensed builder and building practitioner, Jayson has a degree in Construction Management and over 25 years within the industry. He joined Parkview in 2021 and has proven a vital member of the management team.

ANTHONY SAKKAL
Construction Manager

Since joining the company as a second-year cadet in 2005, Anthony has been a driving force in Parkview's continued growth and expansion. He has grown with the company and his experience and knowledge is highly regarded.
